

HANG ON HONEY

DESIGNER: NIELS BAK RASMUSSEN

TYPE: PENDANT

YEAR OF PRODUCTION: 2005

MATERIAL: VARNISHED ALUMINIUM, SILICON

BULB: E 27, 60 W

HANG ON HONEY IS BASED ON A SIMPLE, NOVEL IDEA: YOU HANG THE SHADE DIRECTLY ON THE BULB. THE SHADE IS HELD AGAINST THE BULB WITH SILICONE KNOBS. IT IS EASY TO REPLACE IN ORDER TO ENJOY ANOTHER SHADE IN A DIFFERENT COLOUR WHEN YOU FEEL LIKE IT. THE ELEGANCE OF THE VARNISHED SHADE, THE SHAPE OF THE SHADE, THE HIGH LIGHT OUTPUT, THE CUSTOM-MADE LAMPHOLDER AND LAST, BUT NOT LEAST THE SILICON KNOBS - EVERYTHING FOR THIS LAMP HAS BEEN DESIGNED, DOWN TO THE LAST DETAIL. A SIMPLE, YET SOPHISTICATED DESIGN.
